## ***Building a Community of Learning***

### **A LIFE-ENHANCING, INTELLECTUAL COMMUNITY**

At the University of Utah, we enjoy one of the largest and fastest-growing Osher Lifelong Learning Institutes in the country. Osher changes lives every day by offering more than continuing education courses. We support a community of curious adults who value education highly.

We are a community of peers, seasoned adults ages 50 and better, who bring a wealth of life experience and knowledge to the classroom and to this special program. We offer courses, lecture series, tours, and educational field trips during four terms each year, six weeks in fall, winter, spring, and summer.

### **NURTURING RELATIONSHIPS AND CURIOSITY**

Osher is built on special relationships. We support passionate instructors who give their time and expertise, sharing what they care about most. We benefit from the skills of dedicated volunteers who recruit instructors, create engaging activities for their fellow members, and help spread the word about this life-changing program.

### **BUILD A NETWORK OF FRIENDS**

If you are looking for a chance to become more actively engaged and involved in a vibrant community, Osher has an opportunity for you. From simply taking classes or volunteering as an assistant, to serving on an esteemed committee, or even teaching a course yourself to share your life's wisdom, there are many ways to meet new friends, have fun, and make a difference.

***Enrich your life by enrolling in one of Osher's engaging classes and events today. We would love to welcome you into our lifelong learning community. Let the learning and fun begin!***
