# summer '24

## BUILDING A COMMUNITY OF LEARNING

### A LIFE-ENHANCING, INTELLECTUAL COMMUNITY

At the University of Utah, we enjoy one of the largest and fastest-growing Osher Lifelong Learning Institutes in the country. Osher changes lives every day by offering more than continuing education courses. We support a community of curious adults who value education highly. We are a community of peers, seasoned adults ages 50 and better, who bring a wealth of life experience and knowledge to the classroom and to this special program. We offer courses, lecture series, tours, and educational field trips during four terms each year, six weeks in fall, winter, spring, and summer.

### NURTURING RELATIONSHIPS AND CURIOSITY

Osher is built on special relationships. We support passionate instructors who give their time and expertise, sharing what they care about most. We benefit from the skills of dedicated volunteers who recruit instructors, create engaging activities for their fellow members, and help spread the word about this life-changing program.

Let the learning & fun begin!

### BUILD A NETWORK OF FRIENDS

If you are looking for a chance to become more actively engaged and involved in a vibrant community, Osher has an opportunity for you. From simply taking classes or volunteering as an assistant, to serving on an esteemed committee, or even teaching a course yourself to share your life's wisdom, there are many ways to meet new friends, have fun, and make a difference.

**Enrich your life by enrolling in one of Osher's engaging classes and events today. We would love to welcome you into our lifelong learning community.**

### MORE INFORMATION

Please contact the Osher offices by calling **801-581-6461** or emailing **osher@utah.edu** to find out more about our wonderful program and the many benefits of membership. **Membership is just \$40 per year.**

### OSHER ONLINE WITH NORTHWESTERN UNIVERSITY

*A Program for Online Learning with the National Resource Center for Osher Institutes at Northwestern University*

The Bernard Osher Foundation will continue to offer **Osher Online** this summer! Run by the **National Resource Center (NRC) at Northwestern University**, this special program allows members from various Osher Lifelong Learning Institutes to participate in shared online courses. These courses are not meant to replace our in-person or online courses, but rather to supplement our local offerings. High-quality courses featuring popular instructors from some of the 125 Osher Institutes across the country allow members from different states and institutions to connect.

### OSHER 760 - Various Courses Taught Online Via Zoom

Please read below for class listings and check our website for detailed course descriptions. Summer courses for Osher Online will run from **July 8 - Aug 17**. Enrollment will be limited so be sure to register early! **A mandatory orientation will be required for all enrolled attendees. Special fees to attend are non-refundable.**

**We hope you will enjoy being part of the fun!**

### LUNCH & LEARN LECTURES

Test drive us for **free!**

Each term Osher offers an engaging, interesting series of six speakers for our members and for the wider community via Zoom Webinar. These **FREE** talks help introduce the valuable learning and connections we provide to seasoned adults "age 50 and better!" Join us and invite a friend. Sessions are recorded, kept on our website archives, and freely available to all. Help spread the word about this valuable opportunity to learn new things each week at Osher, simply for the joy and fun of it!
