

THE ART OF CELEBRATING:
Announcing the 20th Anniversary of Osher at the U of U!

In 2024, the Osher Lifelong Learning Institute at the U will celebrate 20 years since its founding. We received our first gift in 2004 from The Bernard Osher Foundation to establish our Institute. We'll recognize one distinguished course per term as a special 20th Anniversary Course. Longtime Osher instructor Gene Fitzgerald's winter course, **F.M. Dostoevsky's *Crime and Punishment* (and the Present Political Situation)**, will be the first 20th Anniversary course in January 2024. Thank you, Gene, for all you've contributed to Osher since you began teaching this very topic for us back in 2009! Watch our weekly email newsletters for more information about *The Art of Celebrating* because 2024 is going to be a very good year!
